Consent

I confirm that the above-named sailor may be photographed and / or filmed during the British Keelboat Final at the Poole Yacht Club on 24-26 September 2021 and that photographs and footage may be used by the club's social media and marketing.

As the guardian for the above-named sailor, I understand that the British Keelboat Final is open to all ages including adults. I understand that it is my decision that the above-named sailor is taking part and that the event is governed by the Sailing Instructions.

I am aware of the club's safeguarding policy for under 18s and understand that during the British Keelboat under 18s will be with adults at various points of the evening, this includes but is not limited to the use of changing rooms and other facilities.

Sailing is an unpredictable sport where situations may occur, in which circumstances I understand it may be necessary for the safety team to make physical contact with the sailors to ensure the safety of all persons involved.
